RE: ELECTRONIC TAX RETURN FILING

The Georgia Department of Insurance is pleased to announce that electronic tax return filings will be accepted beginning October 22, 2010. Insurers may utilize one of the following options to file tax returns with the Department:

- 1) insurers that use TriTech Software's PREMIUM Pro tax application can now file electronically through the application,
- 2) insurers not using TriTech Software, but who still want to file electronically, may go to the Department's Premium Tax homepage at <http://www.oci.ga.gov/PremiumTax/Home.aspx> and access the **Georgia only** PREMIUM Pro application for at a cost of \$ 5.00 per filing, or
- 3) a paper return may be submitted.

All tax forms are available for electronic filing. Attachments to forms and schedules may be uploaded via instructions within the tax application.

An electronic payment system within the tax application is not activated at this time. Please remit your payments using one (1) of two (2) methods: mail your check with the return (if a paper

filing), to the address listed on the return or; via electronic transfer (ACH) directly from your financial institution to the Premium Tax bank account. The bank account numbers remain the same. If you are not already doing so, and wish to pay your taxes via electronic transfer (ACH), notify our office at 404-656-7553 for banking information.

Any questions concerning this Bulletin should be addressed to the Premium Tax Division, 916 West Tower, #2 Martin Luther King, Jr. Drive, Atlanta, Georgia 30334, (404)656-7553, or premiumtax@oci.ga.gov.
